24 Hour Removal Notice

Dear Miss Guiath

Despite repeated requests you have failed to clear the outstanding balance due to The London Borough of Croydon.

As yet, my bailiff has been unable to make contact with you and I have now arranged for my **Removal Contractors** to visit your home within the next 24 hours when we may remove your goods to the local auction rooms.

Please ensure that if you are unable to clear the arrears by return or be present at the time of the removal then an adult over the age of 18 is in the property to witness the removal of the goods.

Additional charges in excess of **£200** will be added to your debt to cover the removal and sale of your possessions. This will be deducted from the sale of your possessions.

Yours sincerely

Bailiff Manager
